Coming in 2018!

Next year, Illinois will celebrate it's 200 birthday! Watch for more details of celebrations all over the state.

Here's a little history of how Illinois became a state.

On April 18, 1818, Congress passed the *Illinois Enabling Act*, which provided for the organization of a state government, fixed the northern boundary of Illinois and established a permanent school fund from a portion of the proceeds from the sale of public lands.

On August 26, 1818 the Illinois Constitutional Convention, meet at Kaskaskia, adopted a State Constitution and selected Kaskaskia as the first state capital.

"Findings"

The December meeting of the Edgar County Genealogical Society was held on Monday, December 5th, 2016. Following the short business meeting, the program, "2016 Discoveries" was presented by the members present.

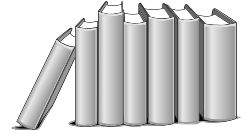

Each member shared their most exciting, helpful or unusual finding of 2016. Scrapbooks of her great-grandparents were Linda Cary's big find of the year. From the pictures included, Linda was able to get information about other family members and research them.

Monica Brunelle is researching 2 family members that served in the Civil War. Debbie Wilson shared her DNA findings, which confirmed much of her research, but also disproved a story from her grandmother that her family had Native American roots.

Teresa Pennington and Judy Cash both learned the importance of backing up your research, including pictures, periodically. Having a computer crash is not the easiest way of learning, but unfortunately that is sometimes what happens. Let their bad experiences be a lesson to all of us. Backup, BackUp, BACKUP!

The evening ended with refreshments as everyone brought their favorite Christmas snack.

Edgar County Genealogy Library

Hello all,

Sorry to inform you that the Genealogy Library is closed on Saturday. We are still open on Wednesday, Thursday, and Fridays from 9 a.m. to 4 p.m.

Recent donations:

Memorial Donation for Ed **Frazier** from Gary & Patricia **Waters**

Prairie Press/ Paris Beacon 2016 articles of interest – now in book form, index will soon be ready for printing.

Funeral Home papers – several misc.

Misc. Kansas Journals, Chrisman Couriers, Brocton Reviews – working on these to get them in a misc. scrapbook, and indexed.

Reminder: The Edgar County Genealogy Library Board has set a policy that no more than 10 pages can be copied out of any one book, and no use of Scanners and Cameras.

We continue to receive requests for obituaries, the volunteers will do a look up for a fee of \$5.00 - please include a self-addressed-stamped-envelope, however we need the name and full death date, we cannot search an entire year of papers. Reminder some of the older newspapers did not survive! The newspapers are on micro-filmed but there is no index .

I have been scanning pictures loaned to me by my family. This has me working full time trying to ID the pictures which have been pasted down in scrapbooks. I have made some major discoveries, finding pictures of relatives that I did not have and was not sure I would ever get a picture to go along with the name. This is a lot of work so I know what I will work on this winter when I'm home bound, identifying and dating my personal pictures (name, date, place).
